CONDITION REPORT

Overall Condition:

This pastel painting on paper is in good condition overall.

Structural Condition:

The paper is hinged to an acid-free 4-ply mat in four places with Japanese paper V hinges along the edges of the verso. The paper does not present tears, paper losses, or planar distortions.

Visual Condition:

The paper is faintly oxidized from contact with acidic material and a natural process of aging due to light exposure. This is visible throughout. Overall the media is bright and well preserved.
